

Denim Doggie Toy

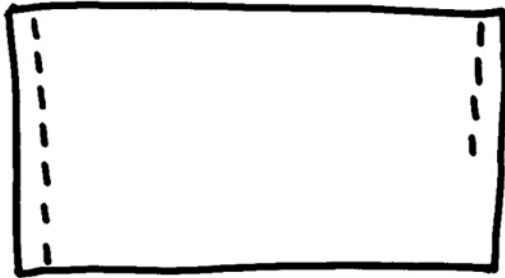

An old pair of jeans not fit to wear any more transforms into an easy, durable doggie toy!

All you need is a pair of jeans, scissors, a sewing machine, pillow stuffing, and needle and thread!

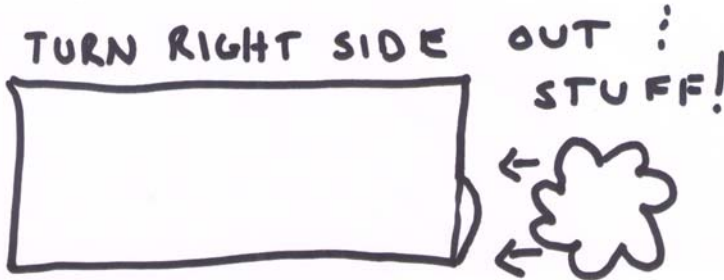

Step 1. Cut a 12" section through both sides of one leg of your jeans with a pair of scissors.

CUT

SEW
INSIDE
OUT

Step 2. Turn the piece you cut inside out and stitch fully down one of the open sides with your sewing machine. Stitch down the other side as well, but leave a 3" opening to use to stuff it.

TURN RIGHT SIDE
OUT :
STUFF!

Step 3. Turn your rectangle right side out, and stuff the inside with pillow stuffing or shredded material you wouldn't otherwise use.

HAN D ST I T C H

Step 4. Fold the edge of material of the opening inside the toy and hand stitch or machine stitch closed.

Step 5. Play Fetch with your puppy's new favorite (and green) toy!
